ABOUT US

>>> **Our company has been on the market since 2009**

Experience has shown that properly selected and fit tires last a long time, ensuring trouble-free operation of vehicles. We are happy to share our knowledge and experience. We are guided only by your individual query, without choosing only among the 'favorite' models.

→ **WHY US?**

- ⌵ Highly qualified specialists
- ⌵ Top quality of the goods
- ⌵ Wide assortment
- ⌵ Low prices
- ⌵ Fast delivery
- ⌵ Branches in different regions of the Russian Federation
- ⌵ We operate our own tire centers

TRUCK TIRES

AND LIGHT TRUCK TIRES

The properties of tires affect:

steering

breaking distance

road-holding

fuel consumption

We'll find the best combination of tire parameters for your tasks and operating conditions.

SPECIAL, INDUSTRIAL AND AGRICULTURAL TIRES

There are industries that can use only special large-size tires.
The industries where every detail is important.
And the detail that is our responsibility won't fail you.

Tires for vehicles of

-  heavy engineering
-  construction industry
-  mines
-  mining industry
-  metallurgy
-  off-road operation in sparsely populated regions of Siberia, etc.
